Description: Time is running out for Sienna Nealon. The mysterious organization Century is only weeks from wiping out the entire metahuman race. But just as Sienna has made the decision to fight them, her past catches up to her and she finds herself in the hands of the U.S. Government. Secrets long buried begin to rise, putting Sienna and everyone she cares about...

Review: It was a relief to get back into this series. (I was trying to read another book... which was boring, to say the least, so I put it down and picked this one for a change of pace). Right off the bat, I was fascinated with the intro to past history of Wolfe and his encounter with an ancient one. Talk about exciting! I was hooked, once again....
